NATIONAL DIET AND NUTRITION SURVEY

Food and Drink Diary

Children aged 1.5 to 3 years

	Pages
Instructions.....	2-3
Diary examples.....	4-15
Examples and advice on food descriptions.....	16-21
“The 4-day diary”.....	23-54
General questions about the eating frequency outside the home.....	55
General questions about your toddler’s food in the last 4 days.....	56-62

If you have any queries about how to complete the diary please contact a member of the NDNS team on freephone **0800 652 4572** between 8.30am-5.30pm.

PLEASE READ THROUGH THESE PAGES BEFORE STARTING THE FOOD DIARY

We would like you to record in this diary **everything your toddler eats and drinks**, at meal times and in between, day and night for **4 days**. Please include all food consumed **at home and outside the home**.

Time spent in the care of other

If your toddler spends time in the care of others during the recording period then we would very much appreciate if those carers (e.g. crèche staff, childminder, friend) would provide details of the food and drink consumed. For this purpose you have been given a pack to pass on to carers explaining about the study and asking for their support in gathering the required information.

Please provide the following information for each day of recording:

Day and Date

Please write down the day and date at the top each time you start a new day of recording.

Time Slots

Please note the time of each eating occasion into the space provided. For easy use each day is divided into sections, from first thing in the morning to late evening and through the night.

Where and with whom?

Please tell us what room or **part of the house** your toddler was in when eating, e.g. kitchen, living room, and tell us whether s/he **ate at a table or not** and whether they **were watching television**. If s/he ate outside the home please write that location down. We would also like to know **who your toddler shared meals with**, e.g. whether s/he ate alone, with parents, siblings, or friends.

What does your toddler eat?

Please describe the food your toddler ate in as much detail as possible. Include all meals and all snacks. Be as specific as you can. Pages 16 - 21 will help with the sort of detail we need, like **cooking methods** (fried, grilled, baked etc) and any **additions** (fats, sugar/sweeteners, sauces, pepper etc).

❑ ***Recipes/Homemade dishes***

If your toddler has eaten any **homemade dishes** e.g. chicken casserole, please record the name of the recipe, ingredients with amounts (including water or other fluids) for the whole recipe, the number of people the recipe is for, and the cooking method. Write this down in the recipe section for each food record day. Record how much of the whole recipe your toddler ate in the portion size column (see examples on pages 9 and 15).

❑ ***Take-aways and eating out***

If your toddler has eaten **take-aways** or **made up dishes not prepared at home** such as at a restaurant or a friend's house, please record as much detail about the ingredients as you can e.g. spaghetti with mince, onion and tomato sauce.

Brand name

Please note the **brand name** (if known). Most packed foods will list a brand name, e.g. Bird's eye, Hovis, or Supermarket own brands.

□ **Labels/Wrappers**

Labels are an important source of information. It helps us a great deal if you enclose, in the plastic bag provided, labels from all **ready meals**, from **foods of lesser known brands** and also from any **supplements** your toddler takes.

Portion sizes

Examples for how to describe the **quantity** or **portion size** your toddler had of a particular food or drink are shown on pages 16 - 21.

For foods, quantity can be described using:

- **household measure** e.g. one level teaspoon (teasp) of sugar, two thick slices of bread, 4 heaped tablespoons (tbsp) of peas, ½ cup of gravy. Be careful when describing amounts in spoons that you are referring to the correct spoon size. Compare the spoons you use with the life size photos at the back of this diary.
- **weights from labels** - use the weight marked on canned or packet foods, e.g. quarter of a 420g tin of baked beans, one 125g pot of yoghurt
- **number of items**, e.g. 2 fish fingers, 2 pieces of chicken nuggets, 1 regular size jam filled doughnut
- **fruit**, indicate whether the piece of fruit is small, medium or large

For drinks, quantity can be described using:

- the **size of glass, cup etc** (e.g. large) or the **volume** (e.g. 300ml).
- **volumes from labels** (e.g. 330ml can of fizzy drink).

We would like to know the **amount that your toddler actually ate** which means taking **leftovers** into account. You can do this in two ways:

1. Record what was served and note what was not eaten e.g. 3 tbsp of peas, only 2 tbsp eaten; 1 weetabix, ate only ½
2. Only record the amount actually eaten i.e. 2 tbsp of peas; ½ weetabix

Was it a typical day?

After each day of recording you will be prompted to tell us whether this was a typical day or whether there were any reasons why your toddler consumed more or less than usual.

Supplements

At the end of each recording day there is a section for providing information about any supplements your toddler took. Brand name, full name of supplement, strength and the amount taken should be recorded.

When to fill in the diary

Please record your toddler's eating as you go, not from memory at the end of the day. Use written notes on a pad if you forget to take the diary with you. Each diary day covers a 24hr period, so please include any food or drinks that your toddler may have had during the night. Remember to include foods and drinks between meals (snacks) including water.

Overleaf you can see 2 days that have already been filled in. These examples show you how we would like you to record your toddler's food and drink, for example a meal from a jar and a homemade dish.

It only takes a few minutes for each eating occasion!

Thank you for your time – we really appreciate it!
